

NICHOLAS SHERAN POOL EXTENDED SHUTDOWN

Nicholas Sheran Pool will be **closed on August 3rd** and is expected to reopen in November 2026. The **last day for programming will be Sunday, August 2nd.**

This temporary closure will allow for facility upgrades, including the installation of a new HVAC system, as well as annual pool maintenance.

During this time, all programming and swimming lessons will be relocated to Fritz Sick Pool. Updated schedules will be available at **www.recex.ca/lethbridge**

Please note that August to November programming is a direct result of the Nicholas Sheran Pool shutdown and is temporary. Regular programming at Fritz will resume once the Nicholas Sheran Pool is open.

We appreciate your understanding and patience as we work to improve our facility!
